feel better fast

FeelBetterFast points to remember

Remember these points to get the most out of this service:

- Most minor ailments can be treated with non-prescription medicines.
- You cannot get antibiotics through FeelBetterFast.
- The service is only available at an approved FeelBetterFast pharmacy.
- Your FeelBetterFast voucher is valid for 48 hours after it is sent to your phone. After 48 hours you will not be able to use it.
- You can only use the voucher once – you need to phone your employer again if you need another Pharmacy visit.
- Only you can use the voucher – you cannot give it to anyone else.
- You will need to visit the pharmacy in person with your voucher and your I.D.
- If the nurse decides you need to see a doctor, dentist or visit your local clinic, you will be given a referral note. Doctor / dentist visits are not covered by the FeelBetterFast service.
- You have the opportunity to provide feedback on the service you received.
- Your employer will not have access to your personal health records.

These are the minor ailments included in the FeelBetterFast service:

Stomach cramps	Hay fever
Skin rash	Headache
Athlete's foot	Head lice
Backache	Insect bites & stings
Blocked / Runny nose	Muscle sprain or strain
Burns	Nausea
Cold & Flu	Nosebleed
